1. Introduction

1.1 Purpose

This document serves the purpose of specifying application's UI design

1.2 Scope

- Create complete interfaces, and describe them clearly.
- Overview of the stages and modules of the system.

1.3 Tool

Figma tool

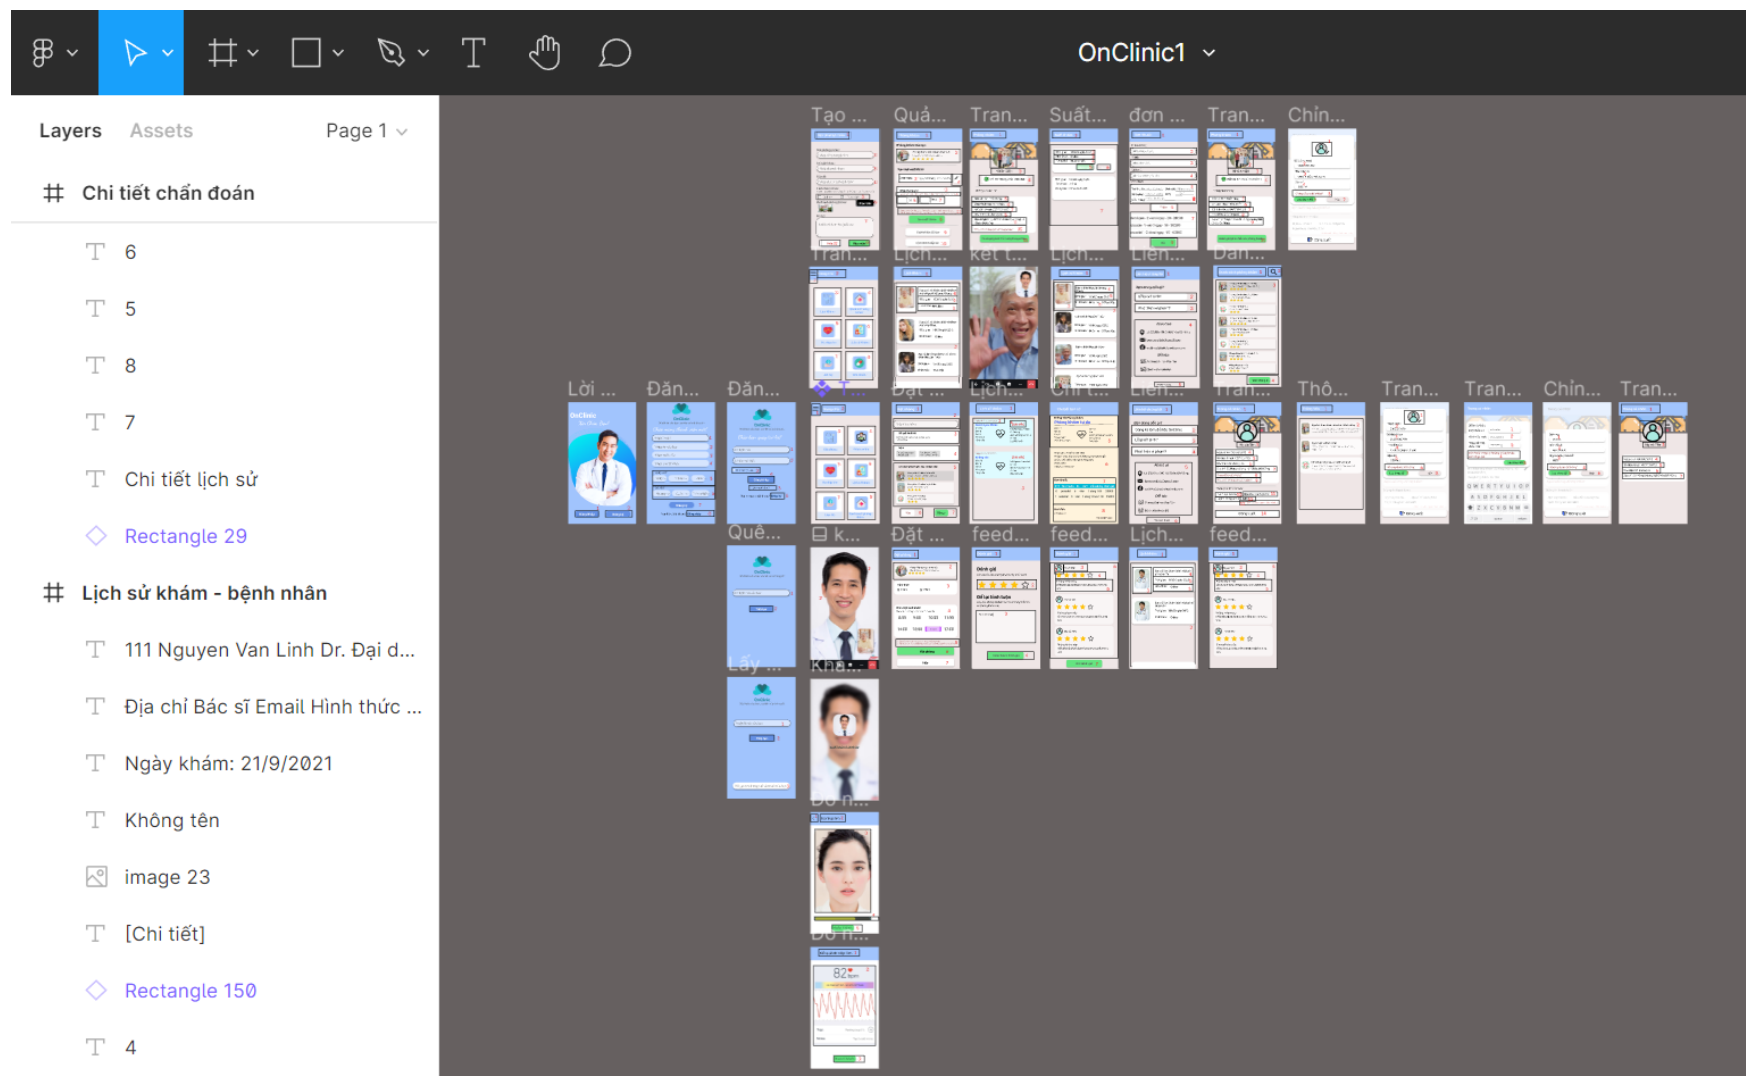

Figure: Overview of team's works on Figma

2. Describe User Interface Application in Detail

2.1 Sign up – login – forgot password

2.1.1 Greeting

ID	Condition	Control Type	Target	Notes
1	Press	Button	Move to login view	
2	Press	Button	Move to sign-up view	

2.1.2 Sign up

The image shows a mobile app sign-up screen for 'OnClinic'. The header includes the app logo (two overlapping hearts) and the tagline 'Sức khỏe của bạn, ưu tiên của chúng tôi'. Below this is a welcome message 'Chào mừng thành viên mới!'. The form consists of several input fields: 'Nhập Email' (1), 'Nhập tên của bạn' (2), 'Nhập mật khẩu' (3), and 'Nhập lại mật khẩu' (4). These are followed by a date selection section labeled 'Ngày sinh' (5) with dropdowns for 'Ngày', 'Tháng', and 'Năm'. Below that is an address selection section labeled 'Địa chỉ' (6) with dropdowns for 'Phường', 'Quận', and 'Thành Phố'. At the bottom, there is a blue 'Đăng ký' button (7) and a link 'Bạn đã có tài khoản? Đăng nhập' (8) which is highlighted with a black box.

ID	Condition	Control Type	Target	Notes
1	Texting	TextBox	Enter email	
2	Texting	TextBox	Enter name	
3	Texting	TextBox	Enter password	
4	Texting	TextBox	Re-enter password	
5	Select	Spinner	Select birthday	
6	Select	Spinner	Select address	
7	Press	Button	Verify registration, then move to login page	
8	Press	TextView	Move to login page	

2.1.3 Login

The image shows a mobile app login screen for 'OnClinic'. At the top, it says 'Đăng nhập' (Login). Below is the OnClinic logo, a heart shape made of two overlapping circles, with the text 'OnClinic' and the tagline 'Sức khỏe của bạn, ưu tiên của chúng tôi' (Your health, our priority). A welcome message 'Chào bạn quay trở lại!' (Welcome back!) is displayed. The login form consists of two text input fields: 'Nhập Email' (Enter Email) and 'Nhập mật khẩu' (Enter password). Below these is a checkbox labeled 'Ghi nhớ mật khẩu' (Remember password). A blue button labeled 'Đăng Nhập' (Login) is positioned below the checkbox. To the right of the login button is a link 'Quên mật khẩu?' (Forgot password?). At the bottom, there is a link 'Bạn chưa có tài khoản? Đăng ký' (Don't have an account? Sign up). Red numbers 1 through 6 are placed next to the input fields, checkbox, login button, forgot password link, and sign up link respectively, corresponding to the table below.

ID	Condition	Control Type	Target	Notes
1	Texting	TextBox	Enter email	
2	Texting	TextBox	Enter password	
3	Select	RadioButton	Select to remember user's password for next time login	
4	Press	Button	Verify login and user role, then move in home page	
5	Press	TextView	Move to forgot password page	
6	Press	TextView	Move to sign up page	

2.1.4 Forgot password

Quên mật khẩu

OnClinic
Sức khỏe của bạn, ưu tiên của chúng tôi

Nhập Email của bạn **1**

Tiếp tục **2**

ID	Condition	Control Type	Target	Notes
1	Texting	TextBox	Enter user's email	
2	Press	Button	Send change-password link to user mail, move to login page	

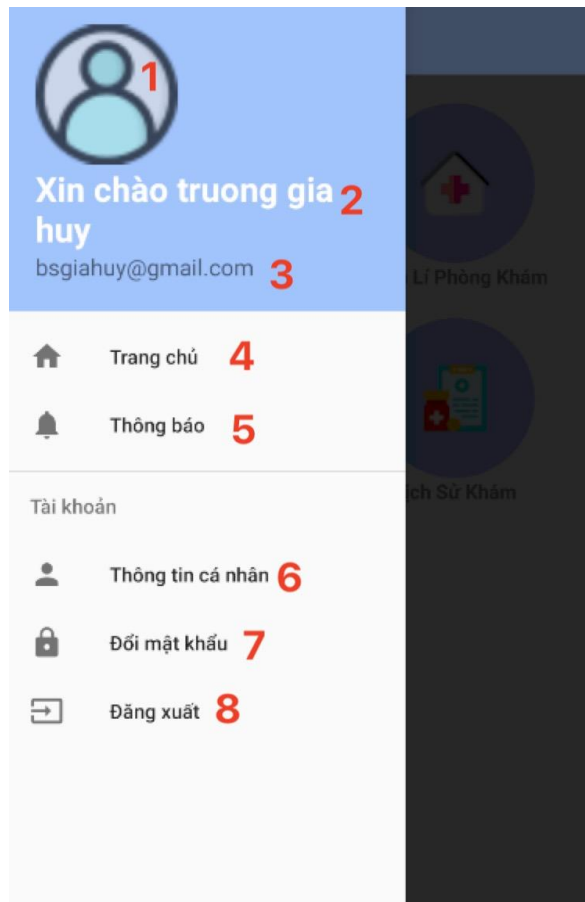

2.2 UI for patient role

2.2.1 Home

ID	Condition	Control Type	Target
1	Press	Button	Open navigation drawer
2	Nothing	TextView	Show page's name
3	Press	Button	Move to Booking Clinic page
4	Press	Button	Move to Upcoming Appointment page
5	Press	Button	Move to Measure Heartbeat page
6	Press	Button	Move to History page
7	Press	Button	Move to Contact Us page
8	Press	Button	Move to clinic list page

2.2.2 Navigation Drawer

ID	Condition	Control Type	Target
1	Nothing	ImageView	Show user's avatar
2	Nothing	TextView	Show user's name
3	Nothing	TextView	Show user's email
4	Press	Button	Move to home page
5	Press	Button	Move to notification page
6	Press	Button	Move to user's profile page
7	Press	Button	The change password dialog show up
8	Press	Button	Log out the account, move to greeting page

2.2.3 Booking Clinic step 1

ID	Condition	Control Type	Target
1	Nothing	TextView	Show page's name
2	Texting	TextBox	Enter patient's symptoms
3	Nothing	TextView	Show if the diagnose process is done
4	Nothing	TextView	Show diagnose results
5	Select	RecyclerView	Show suitable clinic for patient, select prefer clinic will move to clinic's profile page
6	Press	Button	Move back to home page
7	Press	Button	Move to Booking Clinic step 2

2.2.4 Booking Clinic step 2

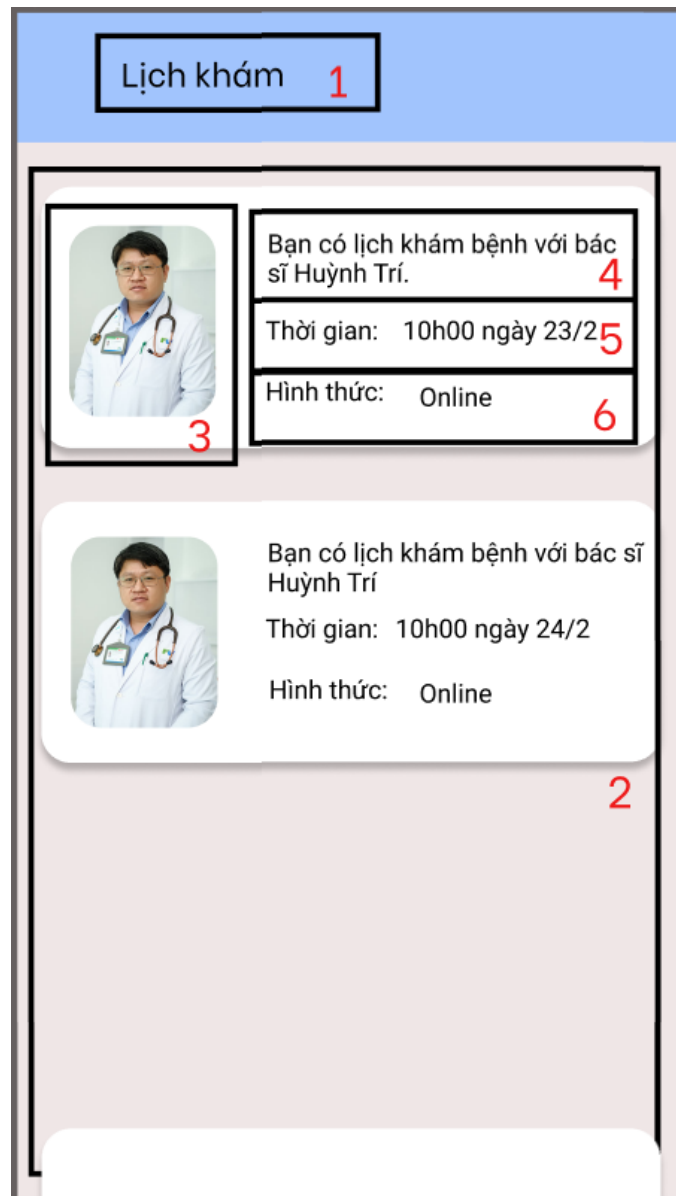

ID	Condition	Control Type	Target
1	Nothing	TextView	Show page's name
2	Press	LinearLayout	Overview of clinic profile, pressing will move to detail clinic profile
3	Select	LinearLayout	Select which form you want to take examination (online or offline)
4	Select	LinearLayout	Show time slot of the clinic
5	Nothing	TextView	Show some things to notice when booking clinic
6	Press	Button	Confirm booking, move to home page, show toast notify that booking successful.
7	Press	Button	Move back to booking clinic step 1

2.2.5 Clinic profile

ID	Condition	Control Type	Target
1	Nothing	TextView	Show page's name
2	Nothing	ImageView	Show clinic's avatar
3	Nothing	TextView	Show clinic's name
4	Nothing	LinearLayout	Clinic certification
5	Nothing	TextView	Show clinic's doctor
6	Nothing	TextView	Show clinic's speciality
7	Nothing	TextView	Show clinic's phone number
8	Nothing	TextView	Show clinic's email
9	Nothing	TextView	Show clinic's address
10	Press	Button	Move to clinic feedback page

2.2.6 Upcoming appointment

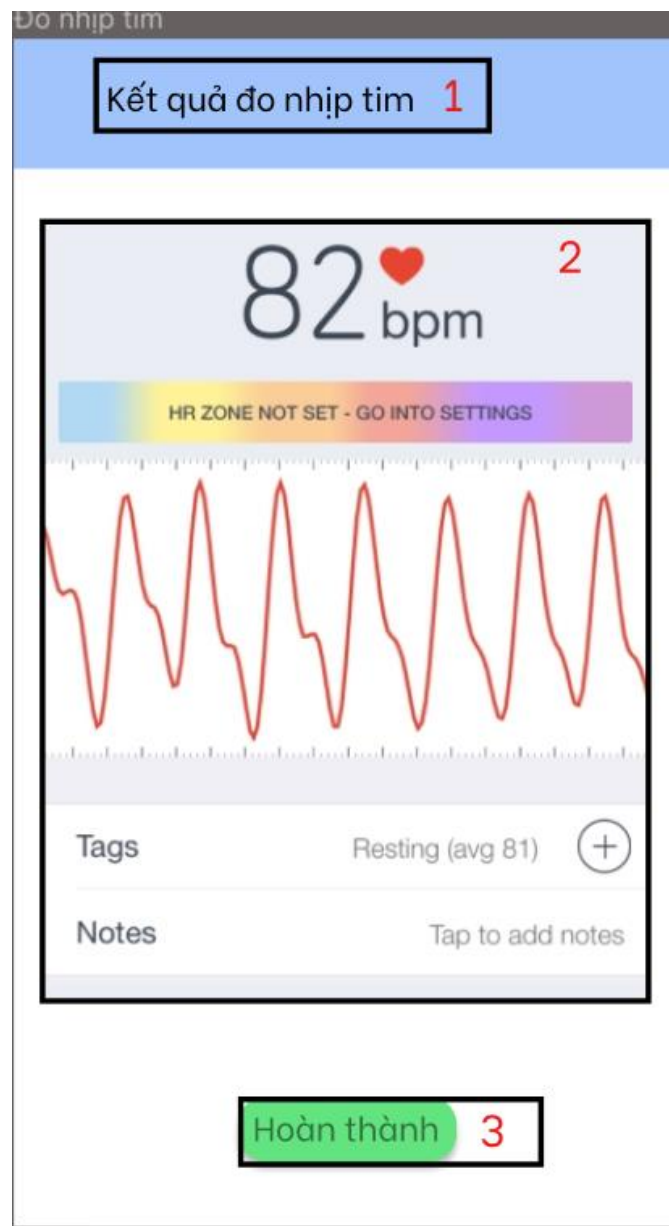

ID	Condition	Control Type	Target
1	Nothing	TextView	Show page's name
2	Select	RecyclerView	Show upcoming appointment, select which appointment that patient want to take, if the form is online then move to online examination through video call
3	Nothing	ImageView	Show doctor's avatar
4	Nothing	TextView	Show doctor's name
5	Nothing	TextView	Show time of upcoming appointment
6	Nothing	TextView	Show form of upcoming appointment (on/off line)

2.2.7 Measure heartbeat

ID	Condition	Control Type	Target
1	Press	Button	Move back to home page
2	Nothing	TextView	Show page's name
3	Nothing	Camera	Serves to measure the rate of news
4	Nothing	LinearLayout	Show measure process
5	Nothing	Toast	Show if the measure process is successful

2.2.8 Measure heartbeat result

ID	Condition	Control Type	Target
1	Nothing	TextView	Show page's name
2	Nothing	LinearLayout	Show measure result
3	Press	Button	Move to home page

Hoàn thành đánh giá 4

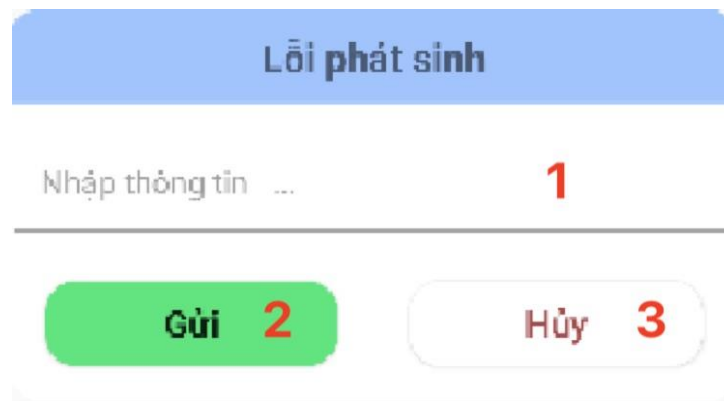

ID	Condition	Control Type	Target
1	Nothing	TextView	Show page's name
2	Select	RatingBar	Select rating
3	Texting	EditText	Enter the feedback in detail
4	Press	Button	Post the feedback, move to clinic's feedback page

2.2.18 Contact us

ID	Condition	Control Type	Target
1	Nothing	TextView	Show page's name
2	Press	Button	Move to Create clinic page
3	Press	Button	The application feedback dialog show up
4	Press	Button	The application feedback dialog show up
5	Nothing	TextView	Show application's information
6	Nothing	TextView	Show the version of the app

2.2.19 Application feedback dialog

The image shows a mobile application feedback dialog. At the top is a blue header bar with the text "Lỗi phát sinh" (Incident) in white. Below the header is a text input field with the placeholder text "Nhập thông tin ..." (Enter information ...). To the right of the input field is a red number "1". Below the input field is a horizontal line. At the bottom are two buttons: a green button labeled "Gửi" (Send) with a red number "2" to its right, and a white button with a gray border labeled "Hủy" (Cancel) with a red number "3" to its right.

ID	Condition	Control Type	Target
1	Texting	EditText	Enter the feedback for application
2	Press	Button	Sending the feedback to admin
3	Press	Button	Cancel feedback dialog

2.2.20 Create clinic

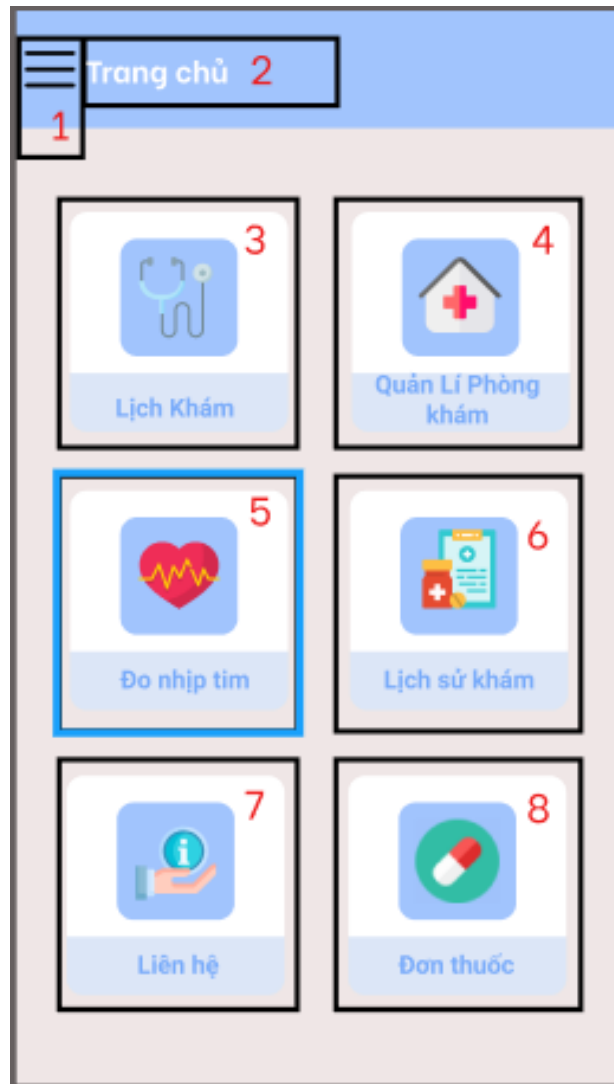

The screenshot shows a mobile app interface for creating a new clinic. The form is titled 'Tạo phòng khám' (Create Clinic) and contains several input fields and buttons. The annotations are as follows:

- 1: Title 'Tạo phòng khám' (Create Clinic)
- 2: Text input field for 'Tên phòng khám' (Clinic Name)
- 3: Text input field for 'Chuyên khoa' (Specialty)
- 4: Text input field for 'Địa chỉ' (Address)
- 5: Radio buttons for 'Hình thức khám' (Examination Form): 'Online' and 'Trực tiếp' (Direct)
- 6: Button labeled 'Chọn ảnh' (Choose Image) for 'Hình ảnh phòng khám' (Clinic Image)
- 7: Text input field for 'Mô tả' (Description)
- 8: Button labeled 'Hủy' (Cancel)
- 9: Button labeled 'Xác nhận' (Confirm)

ID	Condition	Control Type	Target
1	Nothing	TextView	Show page's name
2	Texting	EditText	Enter the new clinic's name
3	Texting	EditText	Enter the new clinic's specialist
4	Texting	EditText	Enter the new clinic's address
5	Select	RadioButton	Select the form of the examination that clinic will support
6	Press	Button	Upload avatar of the new clinic
7	Texting	EditText	Enter description of the new clinic
8	Press	Button	Cancel clinic creation
9	Press	Button	Confirm clinic creation

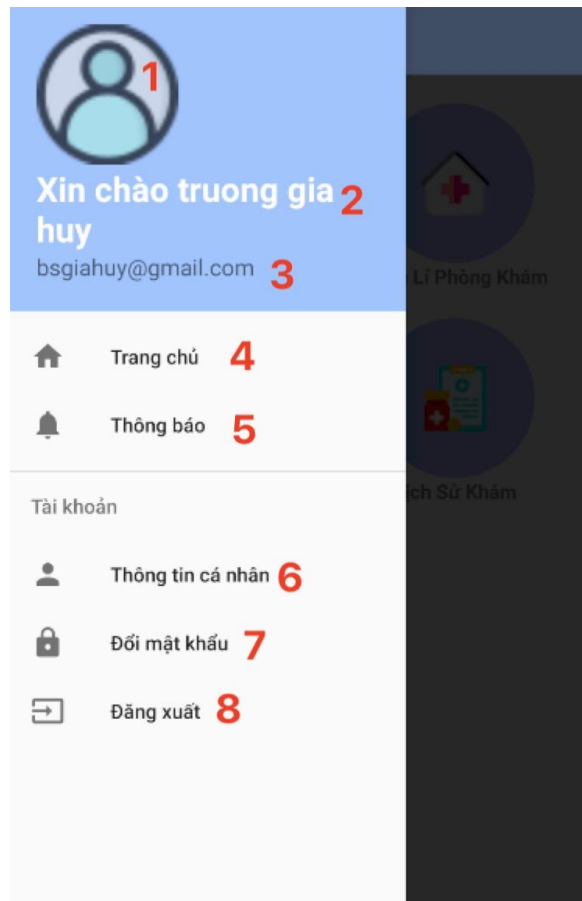

2.3 UI for doctor role

2.3.1 Home

ID	Condition	Control Type	Target
1	Press	Button	Open navigation drawer
2	Nothing	TextView	Show page's name
3	Press	Button	Move to Doctor schedule page
4	Press	Button	Move to Clinic management page
5	Press	Button	Move to Measure heartbeat page
6	Press	Button	Move to Examination history page
7	Press	Button	Move to Contact Us page
8	Press	Button	Move to precription page

2.3.2 Navigation Drawer

ID	Condition	Control Type	Target
1	Nothing	ImageView	Show user's avatar
2	Nothing	TextView	Show user's name
3	Nothing	TextView	Show user's email

7

ID	Condition	Control Type	Target
1	Nothing	TextView	Show page's name
2	Select	TextView	Show slot's time
3	Nothing	TextView	Show slot's from
4	Nothing	TextView	Show slot's status (booked or not booked)
5	Press	Button	
6	Press	Button	Delete slot
7	Select	RecyclerView	Show upcoming appointment, select which appointment that doctor want to take, if the form is online then move to online examination through video call

2.3.16 Edit examination slot

The screenshot shows a form with the following elements:

- Thời gian:** 00:14 (1)
- 11/12/2021** (2)
- Hình thức:** 3
- Trạng thái:** Chưa được đặt lịch (4)
- Cập nhật** (5)
- Xóa** (6)

ID	Condition	Control Type	Target
1	Select	EditText	Edit time of the slot
2	Select	EditText	Edit date of the slot
3	Nothing	TextView	Show form of the slot (online or offline)
4	Nothing	TextView	Show the situation of the slot
5	Press	Button	Update the information of the slot
6	Press	Button	Delete this examination slot

2.3.17 Create prescription

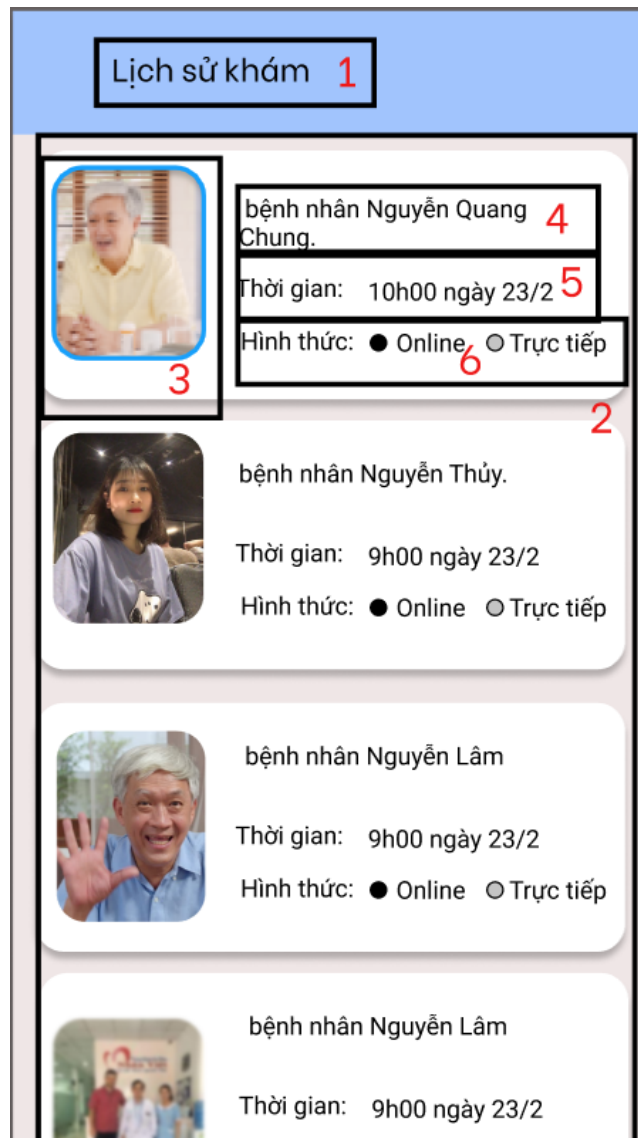

The screenshot shows a mobile app interface for creating a prescription. It features a blue header with the title 'Đơn thuốc' (Prescription). Below the header, there are several input fields and buttons:

- A text input field for 'Nhập tên thuốc ...' (Enter drug name ...).
- A text input field for 'Số Lượng..' (Quantity..).
- A dropdown menu for 'ĐVT' (Unit).
- A text input field for 'Liều dùng ...' (Dosage ...).
- A green button labeled 'Thêm' (Add).
- A list of suggested drugs with their dosages and quantities, such as 'Panadol - 3 viên/ngay - 20 - 30000'.
- A white button labeled 'Gửi' (Send).

 Red numbers 1 through 8 are overlaid on the interface to identify specific UI elements for the test cases listed in the table below.

ID	Condition	Control Type	Target
1	Nothing	TextView	Show page's name
2	Select	TextView	Show slot's time
3	Nothing	TextView	Show slot's from
4	Nothing	TextView	Show slot's status (booked or not booked)
5	Press	Button	
6	Press	Button	Delete slot
7	Select	RecyclerView	Show upcoming appointment, select which appointment that doctor want to take, if the form is online then move to online examination through video call

2.3.18 Examination history

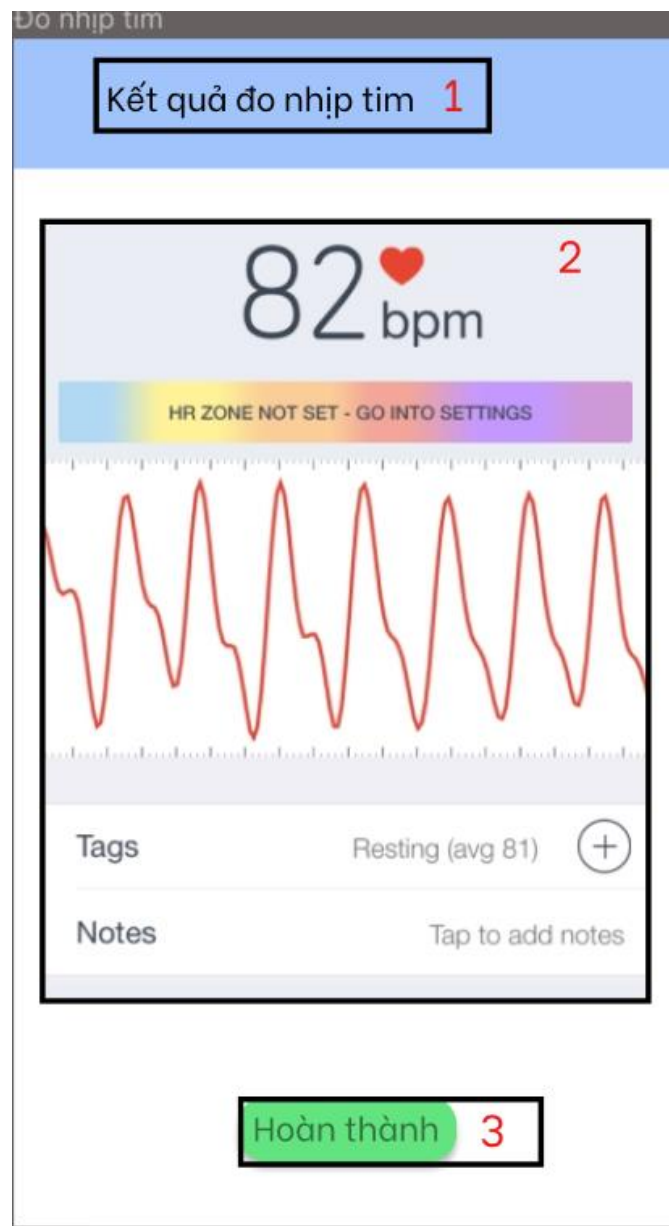

ID	Condition	Control Type	Target
1	Nothing	TextView	Show page's name
2	Select	RecyclerView	Show passed appointment
3	Press	ImageView	Move to patient's profile viewing page
4	Nothing	TextView	Show patient's name
5	Nothing	TextView	Show time of passed appointment
6	Nothing	TextView	Show form of passed appointment (on/off line)

Version 1.8.321 5

ID	Condition	Control Type	Target
1	Nothing	TextView	Show page's name
2	Press	Button	The application feedback dialog show up
3	Press	Button	The application feedback dialog show up
5	Nothing	TextView	Show application's information
6	Nothing	TextView	Show the version of the app

2.3.22 Application feedback dialog

The mockup shows a dialog box with a blue header bar containing the text "Lỗi phát sinh" (Error occurred). Below the header is a text input field with the placeholder text "Nhập thông tin ..." (Enter information ...). To the right of the input field is a red number "1". Below the input field is a horizontal line. At the bottom of the dialog are two buttons: a green button labeled "Gửi" (Send) with a red number "2" to its right, and a white button labeled "Hủy" (Cancel) with a red number "3" to its right.

ID	Condition	Control Type	Target
1	Texting	EditText	Enter the feedback for application
2	Press	Button	Sending the feedback to admin
3	Press	Button	Cancel feedback dialog
